

Directions to TT Environmental Ltd, North Heights Lodge, Wainstalls, HX2 7TR from Halifax town centre.

Whatever direction you come into from Halifax, you eventually end up at a large roundabout where the A58 crosses the A629. From here you need to get into the exit for Pellon Lane (the diagram below shows the direction as if coming on the A58 from Leeds/ Junction 26 of M62).

Once you've taken the exit, you'll see that this two lanes going uphill to a T junction – sit in the right hand lane, ready to turn right into Pellon Lane.

Once on Pellon Lane, PC World should be on your left, and The Range (formerly B&Q) on your right. Continue up Pellon Lane and New Pellon Lane (it's all one road, don't let SatNav take you off it) until you leave Halifax and come into open country. Then there is a small village called Mount Tabor – continue through this.

After about a mile, there is a cross-roads with a pub called the Crossroads on the right-hand side. Continue forward for about 150 yards, when the road forks, by a pub called The Delvers. Take the left hand fork, which takes you in to the village of Wainstalls.

Follow the road through Wainstalls, past the turning circle for buses on the left hand side, down a steep hill with a bad right-hand bend at the bottom, and continue on Castle Carr Road for about a mile.

(Important note for SatNav Users: once you're on Castle Carr Road, keep to the tarmac roadway, and don't let SatNav take you off down a dirt track, as you'll end up in a farmyard).

A small cluster of houses appears. At the end is a gatehouse with impressive archway – come through the arch, and park on the right, behind the house.

The office is at the rear of the house, in a large outbuilding.
